

Sports Premium Funding 2021-2022

Sports Premium funding has been allocated to all primary schools. The amount of funding is based on the number of pupils in years 1 to 6.

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

The Department for Education (DfE) doubled the funding to schools in 2018, due to additional revenue generated from the Soft Drinks Industry Levy also known as the “sugar tax”.

This academic year due to the Covid 19 pandemic restrictions, activities and spending did not go ahead as planned. Swimming lessons, and school sporting competitions were cancelled. As part of the school’s risk assessment and protective measures, the school did not utilise the use of the Sports Hall for the full academic year.
