School closed for pupils

We are all looking forward to the half term holiday. The weather is certainly forecast to improve, so let's hope we can enjoy some sunshine and enjoy time with our families. It has been lovely to hear in school how many of our children are now once again enjoying socialising with extended families and retuning to their various clubs and activities outside of school.

As you will be aware, the ASM holiday Club is once again running at the high school. This is proving to really popular and even if your child doesn't need to attend for the week, they can enjoy one or two sessions.

Parental Survey Reminder

You have recently received a survey link via email. The closing date for the survey is this Friday. Your feedback is very important to both the school and the Trust, so please do spare a few minutes to complete. There is a chance also, to win an IPAD.

PE Uniform

As part of our Covid safety measures, the children have been wearing their PE kits to school on certain days. This has been such a positive development, so much so that as you will be aware from previous communications, we have decided it is something we would like to keep going forward. Lots of schools nationally have also made the same decision. It has significantly increased learning time. In some classes an excess of 20 mins was needed for changing. We also know that lots of uniform items did get misplaced, causing confusion and panic when only one shoe made it home etc. However currently the children do wear varied items of clothing for PE, which has been acceptable due to the unplanned circumstances. However, from September onwards, we are introducing a new standard PE uniform. We request ALL children wear this both for PE lessons and all after school PE clubs. The children have told us how much they like wearing hoodies, so have taken this into consideration. I am sure you will agree that the new items are a welcome addition to our uniform and will ensure the children are comfortable and also expectations are consistent across the school.

Plain black joggers may be worn rather than the ones with the school logo and plain black shorts for warmer weather. However, from September onwards we request that leggings or other coloured joggers are not worn. This is to ensure consistency and high standards in appearance are maintained throughout the school. By informing you now, we hope that families have sufficient time to make the necessary purchases. Thank you for your support in advance.

School Lunches

We have held a meeting with the new catering company who provide our cooked lunches. During this time, we were able to discuss the menu and the way we order lunches going forward. We were able to provide our feedback having observed and spoken to the children.

As from Monday 7th June, we will be trailing pre-ordering meals as this will mean they will be guaranteed their choice each day. Therefore, the service will be smoother and the children will be more comfortable in choosing something they will eat, instead of being left with foods they don't like or are unfamiliar with occasionally.

We are hoping to send you the revised menu between now and the return from half term. We are awaiting this to be published by the company. Please take a look at the menu with your child to give them an idea what foods will be on offer each day. We have also opted for extra veg sticks eg. peppers, cucumber and carrots. We know the children really enjoy jacket potatoes, so these can be pre-ordered daily with a choice of fillings. Sandwiches will also remain available.

Fundraising Reminder

This Friday the children are invited to come to school in brightly coloured clothes. The more colourful the better. Classes 2 and 3 will still be having their PE lesson, so either need to bring their PE kits to change into or come suitably dressed for their lesson.
