

25th September 2017

Dear Parents/Carers,

In our very first letter to you, we would like to explain our commitment to a local charity.

On Monday we had a visitor, who came to see us in an assembly, her name was Susan Dimmock. As well as being a local resident, she works at the Food Bank in Madeley, which is held at All Saint's Church. She told us a little about the charity and how it relies upon donations from families and supermarkets. She also explained how lots of families find themselves in difficult circumstances and need help to provide their children with food.

Mrs Procter told us that she is able to provide our families with a voucher if they need help.

At The Meadows we would like to help at this time of year, when we think about Harvest celebrations. As we remember how fortunate we are to enjoy so much diverse food and look forward to take-away treats, we need to reflect on how even within Madeley, there are people who do not have enough food.

Therefore we are holding a collection. Just think if each family donated one item how much we could collect and how many families we could help.

Items Needed

- Cereal
- Soup
- Pasta
- Rice
- Pasta sauce
- Beans
- UHT Milk
- Bottles of juice
- Chocolate
- Multipacks of crisps
- Tinned vegetables
- Tinned meat
