Sports Premium Funding 2017-2018

Sports Premium funding has been allocated to all primary schools. The amount of funding is based on the number of pupils in years 1 to 6. Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

The Department for Education (DfE) doubled the funding to schools in 2018, due to additional revenue generated from the Soft Drinks Industry Levy also known as the “sugar tax”.
