

Big Talk Homework 02/10/14

Tomorrow, all children in class 4 will be writing the opening to their own story about two children evacuated during World War 2. To help them with their writing please:

- Generate figurative language to describe what it might be like to live in an Anderson shelter as well as the sounds and sights which may be found at a station.
- Generate a range of openers that the children could use to begin their sentences e.g. adverbial phrases, edingly words or phrases, connectives etc.

Any discussion that you have will support your child's writing tomorrow and may be shared in class. Notes can be brought in as well as that will help your children to recall what has been discussed,

Many thanks,

Mrs Kuffour
