

## Class 3 - Homework

### Spellings

Every Friday 6 spellings are given to the children to practise over the weekend. On Monday, the children are tested on spellings these words. For the rest of the week, the children then practise putting these spellings into sentences. On Friday, the children are tested on the correct spelling and use of these words. In order for the children to receive new spellings on Friday, they must have a minimum of 5/6 for both tests.

### Reading

The children are required to read at least 3 times a week. This is monitored through their reading diary. The children are welcome to record their own reading in their diary, but in order for their book to be changed, an adult must sign their diary.

### Maths

Every Friday the children are set a piece of Maths homework to consolidate their learning from the week. They have a week to complete this. The children will also have a mental maths test every Monday on a particular skill.

## Deadlines

### **Monday**

- Spelling test (word) - The children should bring their Spelling Record book into school
- Mental Maths test

### **Friday**

- Spelling test (sentence) - The children should bring their Spelling Record book into school
- Maths homework set/due - The children should bring in their Home Learning Folder

Every day the children should bring in their diary.
